INTRODUCTION

The master key to answered prayer has nothing to do with the prayer itself.

Rather it has everything to do with the understanding of the process of answered prayer.

Your request itself is a small matter before God.

He answers you in a jiffy because your problems are too small compared to how big He is.

Your God is big and there is nothing too hard for Him.

Jer 32:27 Behold, I am the LORD, the God of all flesh: is there any thing too hard for me?

Jeremiah 32:27

Most people do not receive answers to prayer, not because of the prayer itself but because of a lack of understanding of how to receive answers to prayer.

This short book will solve that problem for you in minutes so that you can begin to experience answered prayers.

In only three steps, you will begin to enjoy a powerful prayer life.

CHAPTER ONE:

STEP ONE: DESIRE

He first thing you need for answered prayer is not to pray but to have desire.

That desire should not be a passing desire.

It must be a strong desire for what you want to pray about.

Most people pray for praying sake.

They pray because others are praying or they have been asked to pray.

Only a few people pray because they desire something.

Before you pray, make sure your desire is in place and that desire is strong.

How do you know your desire is strong?

Easy, you are willing to pursue that thing you desire daily if it even takes one year.

Someone who desires something can fast for 21 days just for the thing.

Those who do not really desire and are just praying give up in prayer after just 2 days.

They do not even fast.

You want answered prayer, but do you really desire what you are praying about.

Put your desire in place and get ready for answered prayer.

The Bible emphasizes the place of desire as the first thing for answered prayer:

Mar 11:24 Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Mark 11:24

The scripture clearly states that before prayer, there must be desire.

That is the first step.

CHAPTER TWO

STEP TWO: PRAYER

Once your desire is in place, you can proceed to the prayer itself.

Here we will deal with the prayer of petition, where you bring your needs before God.

There are other types of prayer like the prayer of intercession but we will deal with the common prayer people pray.

There is a way to bring your petition to give you the confidence that the answer has been released by God.

Start by thanking God for several minutes. Thank Him for:

1. your life
2. for forgiving your sins
3. for His provision
4. for His protection
5. for His grace
6. for your family
7. for your health and any other thing you can thank Him for.

You then proceed to praising Him. Praise Him because:

1. He is Alpha and Omega
2. He is the almighty God
3. He can do all things

4. He is the creator of heaven and earth

5. Nothing is too hard for him and many other praises and appellations you can give to His name.

You then move on to present your need before Him.

In presenting your needs, the key is to be specific.

Do not pray just for money, pray for a specific amount.

If you get 1 dollar, that is also money. That is why you must be specific in your prayer.

This is the part of the scripture that says pray:

Mar 11:24 Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Mark 11:24

After presenting your needs, praise God and thank Him again.

You are now ready for the third and final step to receive answers to your prayer.

CHAPTER THREE

STEP THREE: RECEIVING ANSWERS

Now that you have prayed, you are ready for the third part.

Receiving the answers to your prayer is different from praying.

Many people have not studied the art of receiving answers to prayer and hence have remained where they are.

How do we receive answers to prayer?

The Bible makes it clear.

It says:

Believe you have already received the answer to your prayer and then you will receive it.

Many people want to receive the answer to their prayer before they believe they have received it.

Others believe they will receive the answer to their prayer.

But watch carefully what the Bible says. It says believe you have already received and that is when you will receive.

Glory to God.

You now know how to receive answers to prayer.

See how the scripture puts it:

Mar 11:24 Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Mark 11:24

Believe that ye receive them, and ye shall have them.

That is your key right there.

Now you have all three steps to answered prayer.

But there are some special secrets you must know to make your prayer effectual.

CHAPTER FOUR

SPECIAL SECRETS TO NOTE

The first secret you must apply is to pray in the name of Jesus.

When you start praying, you pray "Father, in the name of Jesus".

This is a super-secret for answered prayer because when you pray in the name of Jesus, it is like Jesus himself praying and God will always answer him.

Always pray in the name of Jesus and have it in mind that it is like Jesus himself praying when you pray in his name.

The second secret you must apply is to keep thanking God for the answer to your prayer and deal with hindrances to physical manifestation.

When I pray for something, I keep thanking God that I have it and deal with whatever is stopping the physical manifestation of that thing.

Why? Because I know God has already released the answer in the spirit realm.

It is just left with the physical manifestation.

Next time when you finish praying, know that you just began. You must thank God and deal with hindrances till you see the answer live.

That is what shows you desired that thing in the first place.
